The undivided interest of each Owner in and to the Common Elements shall be allocated based on the percentages set forth opposite the Unit numbers in Exhibit "C" attached hereto and made a part hereof. The Common Elements shall remain undivided.

Section 2.4. Inseparability of Units; No Partition. Each Unit shall be inseparable, and shall be acquired, owned, conveyed, transferred, leased and encumbered only as an entirety. Except for Units which are owned by Declarant, no Unit shall be subject to physical partition and no Owner or Owners shall bring or be entitled to maintain an action for the partition or division of a Unit or the Common Elements. Any purported conveyance, judicial sale, or other voluntary or involuntary transfer of an undivided interest in the Common Elements without the Unit to which such Common Elements are allocated is void ab initio. Parking Units and Storage Units may be acquired, owned, conveyed, and transferred only by and to an Owner.

Section 2.5. Permissible Relationships; Description.

(a) A Unit may be acquired and held by more than one Person in any form of ownership recognized by the laws of the State of Texas.

(b) Any contract or other instrument relating to the acquisition, ownership, conveyance, transfer, lease or encumbrance of a Unit shall legally describe such Unit by its identifying Unit number and Building designation, followed by the words The Dawn, a Condominium, located in Galveston County, Texas, with further reference to the recording data for this Declaration (including the Map and any amendments to the Declaration). Every such description shall be good and sufficient for all purposes to acquire, own, convey, transfer, lease, encumber or otherwise deal with such Unit, and any such description shall be construed to include all incidents of ownership relating to a Unit.

An Owner shall be entitled from time to time to mortgage or encumber such Owner's Unit by creating a lien covering Unit under the provisions of a deed of trust, but any lien created thereby shall be subject to the terms and provisions of this Declaration, and any mortgagee or other lienholder which acquires an Owner's Unit through judicial foreclosure, public sale or any other means shall be subject to the terms and provisions of this Declaration, except as specifically provided to the contrary herein. 3694 146689686 2

Owner's mortgagee The Association shall maintain such information in a book entitled "Mortgagees of Owner's Units."

If an Owner (including Declarant) or if two or more Owners own Units which adjoin horizontally (on the same floor), such Owner or Owners shall have the right to relocate the boundaries between such adjoining Units by removing and relocating all or any part of any intervening partition, notwithstanding the fact that such partition may in whole or in part be a Common Element, so long as no portion of any bearing wall or bearing column is weakened or removed and no portion of any Common Element (other than the partition) is damaged, destroyed or endangered; provided, however, that the Owner or Owners shall have the right to relocate certain Common Elements which are located within the said partition (such as pipes, flues, conduits, shafts, vents, ducts, wiring and the like) so long as such relocation is performed in a good and workmanlike manner by a capable and experienced workman and such Common Elements are fully operational upon completion of such relocation. Notwithstanding the above, prior to the commencement of any such alterations, such Owner or Owners shall submit to the Board of Directors for its approval full and complete plans and specifications relating to such alterations and a report of a structural engineer evidencing the feasibility of such proposed alterations. The Board of Directors may request such additional information as it deems necessary to evaluate the alteration request. Within a reasonable period of time following its receipt of the plans and specifications and all such other requested information, the Board of Directors shall provide to the Owner written acknowledgment of the Board of Director's receipt of the alteration request and the Board of Directors shall be deemed to have approved such plans and specifications if it fails to disapprove of such plans and specifications in writing within thirty (30) days after the Owner's receipt of the Board of Directors' written acknowledgment of receipt of the request for alterations. In such event, the Association shall cause an appropriate instrument of amendment to this Declaration to be prepared, executed and recorded in accordance with the provisions of Section 10.2 hereof. The instrument of amendment shall (i) contain such plats and floor plans as are necessary to show the boundaries between the Units involved, which shall be certified as to their accuracy by a registered architect or engineer, (ii) recite the occurrence of any conveyance between the Owners of the Units affected, and (iii) specify any reasonable reallocation of the aggregate percentage ownership interest in the Common Elements pertaining to the Units affected. The Association hereby agrees to cooperate reasonably with such Owner or Owners in effectuating such amendment to this Declaration, provided that all costs and expenses incurred by the Association in connection therewith including attorneys' fees shall be paid exclusively by such Owner or Owners. If any damage is caused to any bearing wall, Common Element (other than the partition), or another Owner's Unit as a result of an Owner's exercise of the rights granted hereunder, all such damage shall be repaired at the sole cost and expense of the Owner or Owners exercising such rights and shall be inspected by an agent of the Association, at the Owner's expense, to ensure building standard conformity. For purposes of this Section 2.7 and in accordance with Section 2.4, each Unit, except for Units owned by Declarant, shall only be joined to an adjoining Unit in its entirety.

Each Owner shall automatically be a member of the Association and shall possess a vote with respect to each Condominium Unit owned by such Owner equal in weight to such Owner's undivided interest in and to the General Common Elements as set forth as each Condominium Unit's percentage of General Common Elements on Exhibit "C" attached to this Declaration. All voting rights of an Owner may be suspended during any period that such Owner is delinquent in the payment of any Assessment duly established pursuant to Article VI or Article VII, or otherwise in default under the terms of this Declaration, the Bylaws or the Regulations. Any matter described herein as requiring approval by a stated percentage or a majority of the Owners shall mean a stated percentage or a majority of the allocated votes held by those Owners who are then eligible to vote.

Section 4.3. Right of Action by Owners. Owners, acting collectively or individually, shall have the right to maintain actions against the Association for its failure to comply with the provisions hereof or to perform its duties and responsibilities hereunder.

ARTICLE V

Maintenance, Alterations, Insurance, Taxes and Utilities

Section 5.1. Maintenance.

(a) Each Owner shall be responsible for and shall maintain and repair, at the Owner's sole cost and expense, the Owner's Unit including, without limitation, all Systems that serve only or are a part of the Owner's Unit, the fixtures and appliances therein contained, and all doors and windows and the replacement thereof (including but not limited to hardware and glass); provided, however, the Association shall be responsible for painting the side of exterior doors which face Common Elements. No Owner shall be required to directly pay the cost and expense of structural repairs to the Owner's Unit or to the Common Elements unless necessitated by the willful or negligent misuse thereof by the Owner, the occupants or the invitees of such Owner's Unit, in which event such costs and expenses shall constitute the sole obligation of the Owner, whose occupants and/or invitees were guilty of such willful or negligent misuse. Any

CONDOMINIUM DECLARATION - Page 12

maintenance and repair work to an Owner's Unit done by or on behalf of the Owner shall be done in a good and workmanlike manner using materials of equal or better quality than the materials removed, and shall be done in such a manner as not to impair the structural soundness or integrity or to alter the exterior appearance of any Building or Owner's Unit. If an Owner fails to discharge the Owner's maintenance obligations hereunder, the Association shall be entitled (but not obligated) to cause such work to be done, and the cost and expense thereof shall be and constitute a lien upon such Owner's Unit which lien may be enforced in the same method as is provided for the enforcement of Assessment liens pursuant to the provisions of Section 6.4 of this Declaration. Damage to the interior of any Unit resulting from such maintenance, repair and replacement activities by the Association, whether by reason of an emergency or otherwise, shall constitute a Common Expense and be payable by the Association, provided, however, that if such maintenance, repairs or replacements are the result of the misuse or negligence of an Owner, or its guests or invitees, then such Owner shall be responsible and liable for all such damage.

(b) All Common Elements shall be maintained by the Association, the cost and expense of which shall constitute a Common Expense and be payable by the Association. The Association shall maintain in good condition and repair the Common Elements (excepting only maintenance of those portions of the Systems that serve only or are part of an individual Owner's Unit), and shall establish and maintain an adequate reserve fund for such purposes, to be funded by Monthly Assessments rather than by Special Assessments. Subject to the provisions of Section 5.3(d) to this Declaration, nothing herein shall be deemed or construed as relieving any Owner from liability or responsibility for damage to the Common Elements caused by the negligence or misconduct of Owner or Owner's occupants or invitees

(c) The Association shall not be liable for injury or damage to any person or property caused by the elements or by the Owner of any Unit, or any other person, or resulting from any utility, rain, snow or ice which may leak or flow from any portion of the Common Elements or from any pipe, drain, conduit, appliance or equipment which the Association is responsible to maintain hereunder. The Association shall not be liable to any Owner or occupants of any Unit or such Owner's tenant, guest, or family, for loss or damage, by theft or otherwise, of any property which may be stored in or upon any of the Common Elements. The Association shall not be liable to any Owner or occupant for any damage or injury caused in whole or in part by the Association's failure to discharge its responsibilities under this Section where such damage or injury is not a foreseeable, natural result of the Association's failure to discharge its responsibilities

(d) The Association shall be responsible for maintaining any street lights, sidewalk pavers, benches, trash receptacles, bicycle racks, landscaping and irrigation systems along portion of the streets and sidewalks within portions of the Property as may be required of the owner of the Property under applicable laws and the cost thereof shall constitute a Common Expense and shall be payable by the Association

(e) If a dispute shall arise among Owners as to the proper party to bear a maintenance cost or expense, the Board of Directors shall be entitled to resolve such

3694 146689686 2

dispute, provided, however, that nothing herein shall be deemed or construed as limiting an Owner's right to have the provisions of this Section interpreted by a court of competent jurisdiction; provided further, however, that any such cost or expense so disputed shall be paid in accordance with the determination of the Board of Directors pending final judgment in any such legal proceedings.

Section 5.2. Alterations. No Owner shall be entitled to alter, add to or improve the Owner's Unit, or the Limited Common Elements appurtenant thereto, in a manner as will or might reasonably be expected to affect the structural soundness or integrity or the exterior appearance of any of the Improvements, any System that services more than one Owner's Unit, or any warranty in favor of the Association, without the prior written consent of the Association and in compliance with all Regulations established by the Association. No Owner may alter the size or location of any Parking Unit, any Storage Unit or any parking spaces designated as Limited Common Elements without the prior written consent of the Association. Further, no Owner shall be entitled to make any alteration, addition or improvement to a Limited Common Element appurtenant to more than the Owner's Unit unless the prior written approval of all Owners having an interest therein is obtained. Any alterations, additions and improvements made pursuant to this Section shall be made at the individual cost and expense of the Owner having an interest in the Owner's Unit or Limited Common Element so altered, added to or improved. Declarant reserves the right to have an agent of Declarant and/or the Association inspect all alterations, additions and improvements made pursuant to this Section 5.2 for any evidence that (i) the structural soundness or integrity, (ii) the appearance of any of the Improvements, (iii) any Systems that service more than one Owner's Unit, or (iv) any warranty in favor of the Association, has been affected.

Section 5.3. Insurance.

(a) Commencing upon the first conveyance of any Unit to an Owner other than the Declarant, the Association shall obtain and maintain, as a Common Expense, insurance coverage required pursuant to Section 82.111 of the Act and such additional coverage as the Association deems appropriate.

(b) Insurance policies shall provide that

(1) each Owner is an insured person under such policies with respect to liability arising out of the Owner's ownership of an undivided interest in the Common Elements or membership in the Association;

(2) insurance trust agreements will be recognized;

(3) any right of subrogation of the issuer of the insurance against individual Owners is waived,

(4) the coverage of the policy is not prejudiced by any act or omission of an individual Owner to the extent that such act or omission is not within the collective control of all Owners;

3694 146689686 2

(5) such policy is primary insurance if at the time of a loss under the policy any Owner has other insurance covering the same property covered by the policy;

(6) no action or omission by any Owner, unless validly exercised on behalf of the Association, will void the policy or be a condition to recovery under the policy;

(7) the policy may not be canceled or renewal refused, except after 30 days prior written notice to the Association; and

(8) such policy will not lapse, be cancelled or modified except after 15 days' prior written notice to the Association and to each First Mortgagee listed as such in such insurance policy

(c) The Manager shall be reflected as additional insured on any commercial general liability insurance policy carried by the Association.

(d) The Board of Directors shall have the express authority, on behalf of the Association, to name as insured an authorized representative, including any trustee (or successor thereto) with whom the Association has entered into any insurance trust agreement, which authorized representative shall have exclusive authority to negotiate losses under any policy providing the property or liability insurance required to be provided herein.

(e) By acceptance of a deed to a Unit, each Owner shall be deemed to have irrevocably appointed the Association (which appointment shall be deemed a power coupled with an interest), together with any insurance trustee, successor trustee or authorized representative designated by the Association, as such Owner's attorney-in-fact for the purpose of purchasing and maintaining the insurance required hereunder as well as for submission of and adjustment of any claim for loss, the collection and appropriate disposition of the proceeds thereof, the negotiation of losses and execution of releases of liability, the execution of all documents, and the performance of all other acts necessary to accomplish such purpose. The Association or such trustee, successor trustee or authorized representative must receive, hold or otherwise properly dispose of any proceeds of insurance in trust for the Owners and the First Mortgagees as their interests may appear based on the fair market value of the interests damaged or destroyed. Any proceeds paid under such policy shall be disbursed first for the repair or restoration of any damaged Common Elements and Units, and no Owner or First Mortgagee or other lienholder shall receive payment of any portion of such proceeds unless a surplus remains after the Condominium has either been completely restored or the Condominium has been terminated.

(f) The Association shall be entitled to obtain and maintain such additional insurance coverages hereunder as the Board of Directors may deem necessary or appropriate including, without limitation, liability insurance for all officers, directors, trustees and employees of the Association. The premiums for all insurance coverages

3694 146\689686 2

maintained by the Association pursuant to this Section shall constitute a Common Expense and be payable by the Association.

(g) Each Owner shall be responsible for obtaining and maintaining at such Owner's sole cost and expense insurance covering all alterations, additions, betterments and improvements to such Owner's Unit and all other personal property located at the Owner's Unit or constituting a part thereof. Each owner shall be responsible for obtaining and maintaining at such Owner's sole cost and expense insurance covering items of property, including vehicles, parked or stored in any Parking Units, parking spaces, and Storage Units. Nothing herein shall be deemed or construed as prohibiting an Owner, at such Owner's sole cost and expense, from obtaining and maintaining such further and supplementary insurance coverages, such as liability insurance, as such Owner may deem necessary or appropriate. All policies of casualty insurance carried by an Owner shall be without contribution with respect to the policies of casualty insurance obtained by the Association for the benefit of all Owners. The Association may, in its sole discretion, without any obligation to do so, insure all alterations, additions, betterments and improvements to the Condominium Units and include the cost as a Common Expense, or assess each Owner for the cost of such insurance.

Section 5.4. Taxes. Declarant shall give written notice to the appropriate taxing authorities of the creation of the Condominium established hereby, and each Unit shall be subject to separate assessment and taxation. Each Owner shall be responsible for and shall pay when due all taxes, assessments and other governmental impositions lawfully levied or assessed with respect to such Owner's Unit. Any taxes, assessments or other governmental impositions lawfully levied or assessed with respect to the Property not separately billed to the Owners shall constitute a Common Expense and be payable by the Association.

Section 5.5. Utilities. Each Owner shall be responsible for and shall pay all gas, electricity and water charges relating to such services used or consumed at or with respect to the occupancy of the Owner's Unit, to the extent such charges are separately metered by the respective utility companies. Any utility charges not so separately metered, and charges relating to such services used in connection with the use and maintenance of the Common Elements, shall constitute a Common Expense and be payable by the Association.

ARTICLE VI

Assessments

Section 6.1. Monthly Assessments; Budget.

(a) The Association shall possess the right, power, authority and obligation to establish a regular Monthly Assessment sufficient in the judgment of the Board of Directors to pay all Common Expenses when due. Such Monthly Assessments so established shall be payable by the Owners on the first day of each calendar month, and shall be applied to the payment of charges for which the Association is responsible, including, without limitation, charges relating to maintenance and repair of elements of

3694 146689686 2

the Property not the responsibility of the Owners, care of the Common Elements, casualty, public liability and other insurance coverages required or permitted to be maintained by the Association, governmental impositions not separately levied and assessed, utilities relating to the Common Elements or not separately metered, professional services, such as management, accounting and legal, and such other costs and expenses as may reasonably relate to the proper maintenance, care, operation and management of the Property, and the administration of the Association and the Condominium established hereby, including an adequate reserve fund for the periodic maintenance, repair and replacement of the Common Elements. No consent or approval of the Owners shall be required for the establishment of the Monthly Assessments. Collection of Monthly Assessments, as to each Owner, shall commence upon the acquisition by such Owner of title to such Owner's Unit. Prior to the termination of the period of Declarant Control, monies in the Association's reserve funds and Working Capital Contributions may not be used for payment of operating expenses of the Condominium.

(b) Prior to the commencement of each fiscal year of the Association, the Board of Directors shall prepare and make available to each of the Owners a budget setting forth the anticipated Common Expenses for the ensuing year. Such budget shall be in sufficient detail so as to inform each Owner of the nature and extent of the Common Expenses anticipated to be incurred. The Association shall mail or deliver to each Owner a statement setting forth each Owner's Monthly Assessment and the date as of which such Monthly Assessment commences to be payable. No further communication shall be necessary to establish the amount of each Owner's obligation regarding the Monthly Assessment payable hereunder, and the failure of the Board of Directors to timely deliver the statement provided for herein shall in no event excuse or relieve an Owner from the payment of the Monthly Assessments contemplated hereby. Any budget prepared and statement delivered to the Owners as hereby contemplated may be amended as and to the extent reasonably necessary, and the amount of an Owner's Monthly Assessment changed to correspond therewith. If the Monthly Assessment for a fiscal year increases more than 20% above the Monthly Assessment for the preceding fiscal year, the Owners may call a Special Meeting where the Owners holding not less than 67% of the votes allocated by the Declaration may limit the increase of the Monthly Assessment to 20% above the Monthly Assessment for the preceding fiscal year.

Section 6.2. Special Assessments. In addition to the Monthly Assessments contemplated by Section 6.1, the Association shall possess the right, power and authority to establish Special Assessments from time to time as may be necessary or appropriate in the judgment of the Board of Directors to pay non-recurring Common Expenses relating to the proper maintenance, care, alteration, improvement, operation and management of the Property, and the administration of the Association and the Condominium established hereby. Except as contemplated by Article VII, no consent or approval of the Owners shall be required for the establishment of a Special Assessment as contemplated by this Section, except for any Special Assessment relating to the alteration or improvement of any element of the Property, which must be approved by the affirmative vote of those Owners holding not less than 67% of the votes

3694 146689686 2

allocated by this Declaration at a meeting of the Association duly called for purposes of considering same

Section 6.3. Obligation to Pay Assessments. Each Owner shall be personally obligated to pay its share (i.e., in accordance with such Owner's undivided interest in and to the Common Elements as set forth in Exhibit "C") of all Assessments duly established pursuant to this Article and Article VII Unpaid Assessments due as of the date of the conveyance or transfer of a Condominium Unit shall not constitute a personal obligation of the new Owner (other than such new Owner's prorata share of any reallocation thereof); however, the former Owner shall continue to be personally liable for such unpaid Assessment. No Owner shall be entitled to exemption from liability for Owner's obligation to pay such Assessments by waiver of the use and enjoyment of the Common Elements, by an abandonment of the Owner's Unit or by any other action whatsoever. Any Owner who fails to pay an Assessment within five (5) days of the date due may be charged either a Late Fee or interest on the past due balance at the Past Due Rate from the date due and such Assessment shall be recoverable by the Association, together with interest or a Late Fee as aforesaid and all costs and expenses of collection, including reasonable attorneys' fees, by suit in a court of competent jurisdiction sitting in the County. It shall be the responsibility of the Board of Directors to collect any such delinquent Assessment, the existence of which shall be made known by written notice delivered to the defaulting Owner and, where requested, the Owner's First Mortgagee

Section 6.4. Lien to Secure Payment of Assessments. Declarant hereby reserves and assigns to the Association a lien, pursuant to the provisions of Section 82.113 of the Act, against each Owner's Unit, the Rents, if any, payable to the Owner of any Unit and Insurance Proceeds received by the Owner of any Unit to secure the payment of all Assessments, which lien shall be and constitute a lien and encumbrance, in favor of the Association, upon such Owner's Unit, the Rents, and any Insurance Proceeds. The liens established herein shall be prior and superior to all other liens and encumbrances subsequently created upon such Owner's Unit, Rents and Insurance Proceeds, regardless of how created, evidenced or perfected, other than the lien securing the payment of First Lien Indebtedness (provided such lien was recorded prior to the date on which the Assessment became delinquent) and the liens for unpaid taxes, assessments and other governmental impositions. The liens and encumbrances created herein may be enforced by any means available at law or in equity, including, without limitation, a non-judicial foreclosure sale of the Unit of a defaulting Owner; such sale to be conducted in the manner set forth in Texas Property Code Section 51.002 (as now written or as hereafter amended). The Owner of each Unit, by acquisition of such Owner's Unit, grants to the Association a power of sale in connection with the Association's liens. By written resolution, the Board of Directors may appoint, from time to time, an officer, agent, trustee or attorney of the Association to exercise the power of sale on behalf of the Association. The Association may bid for and purchase the Owner's Unit, as a Common Expense, at any such foreclosure sale. The foreclosure by a First Mortgagee of an Owner's Unit in order to satisfy First Lien Indebtedness will extinguish the subordinate lien for any Assessments which became payable prior to the date of such foreclosure sale

3694 146689686 2

Section 6.5. Commencement of Obligation to Pay Assessments. Each Owner, other than Declarant, shall be obligated to commence payment of all Assessments against such Owner's Unit on the date the Owner's Unit is conveyed to the Owner. If such date is other than the first day of a month, then such Owner shall be obligated to pay only a prorata share of the Assessment against such Owner's Unit based on the number of days during such month that the Owner will hold title to the Owner's Unit. Prior to the end of the Declarant Control, Declarant shall not be required to pay Assessments on Units owned by Declarant, but so long as Declarant is not paying Assessments on Units owned by Declarant, Declarant shall pay all Common Expenses of the Condominium less any amounts collected from the other Owners (excluding portions thereof allocable to the working capital fund and replacement reserves); provided, however, nothing contained herein shall prevent Declarant from collecting from the purchaser of a Unit at closing any expenses, such as taxes or insurance, that Declarant prepaid on behalf of the Unit being purchased. Declarant shall be obligated to commence payment of all Assessments against Units owned by Declarant on the earlier of the termination of the period of Declarant Control or three (3) years following the first conveyance of a Condominium Unit by Declarant to an Owner. If such date is other than the first day of a month, then Declarant shall be obligated to pay only a prorata share of the Assessments against such Units based on the number of days remaining during such month.

Section 6.6. Redemption by Owner. The Owner of a Unit purchased by the Association at a foreclosure sale of the Association's lien for Assessments may redeem the Unit not later than the 90th day after the date of the foreclosure sale. To redeem the Unit, the Owner must pay to the Association all amounts due to the Association at the time of the foreclosure sale, interest from the date of foreclosure sale to the date of redemption at the Past Due Rate, reasonable attorneys' fees and costs incurred by the Association in foreclosing the lien, any Assessment levied against the Unit by the Association after the foreclosure sale, and any reasonable costs incurred by the Association, as Owner of the Unit, including costs of maintenance and leasing. Upon redemption, the Association shall execute a deed to the redeeming Owner of the Unit. The exercise of the right of redemption is not effective against a subsequent purchaser or lender for value without notice of the redemption after the redemption period expires unless the redeeming Owner of the Unit records prior to such date the deed from the Association or an affidavit stating that the Owner has exercised the right of redemption. A Unit that has been redeemed remains subject to all liens and encumbrances on the Unit before foreclosure. All Rents collected from the Unit by the Association from the date of foreclosure sale to the date of redemption belong to the Association, but the Rents shall be credited against the redemption amount. If the Association purchases a Unit at a sale foreclosing the Association's lien, the Association may not transfer ownership of the Unit during the redemption period to a person other than a redeeming Owner.

Section 6.7. Notice of Default. If the Owner of a Unit defaults in the Owner's monetary obligations to the Association, the Association may notify lienholders of the default and the Association's intent to foreclose its lien. The Association shall notify any holder of a recorded lien or duly perfected mechanic's lien against a Unit which has given the Association a written request for notification of the Owner's monetary default or the Association's intent to foreclose its lien.

3694 146689686 2

Section 6.8. Alternative Actions. Nothing contained in this Declaration shall prohibit the Association from taking a deed in lieu of foreclosure or from filing suit to recover a money judgment for sums that may be secured by the lien.

ARTICLE VII

Loss and Obsolescence

Section 7.1. Loss or Damage. The following provisions shall govern in the event the Improvements, or any part thereof, are damaged or destroyed by fire or other casualty

(a) Prompt written notice of any such substantial damage or destruction shall be given to all First Mortgagees

(b) The Association shall promptly proceed with the full restoration and repair of such damage or destruction unless (i) the Condominium is terminated; (ii) repair or replacement would be illegal under any state or local health or safety statute or ordinance; or (iii) at least 80% of Owners (including each Owner of a Unit or assigned Limited Common Element that will not be rebuilt or repaired) vote not to rebuild.

(c) The amount by which such restoration and repair costs exceed collectible insurance proceeds shall be and constitute a Special Assessment payable by the Owners within 30 days of the date notice of such Special Assessment is delivered by the Association.

(d) Any excess insurance proceeds remaining after such restoration and repair, or any insurance or sales proceeds available absent such restoration and repair, shall be received and held in trust by the Association in separate accounts for each Owner according to each Owner's individual interest in the General Common Elements as set forth in Exhibit "C", and be applied, without contribution from one such account to another, as follows.

(i) first, to the payment of any taxes and special assessment liens or other governmental impositions in favor of any assessing entity having authority with respect to such Owner's Unit;

(ii) second, to the payment of the balance of the First Lien Indebtedness of such Owner;

(iii) third, to the payment of any delinquent Assessment with respect to such Owner's Unit, and

(iv) the balance, if any, to such Owner or such other parties as shall be entitled thereto

Section 7.2. Matters Relating to Restoration and Repairs. Any restoration and repair work undertaken by the Association pursuant to Section 7.1 shall be performed in a good

3694 146689686 2

and workmanlike manner with a view to restoring the Improvements to a condition similar to that existing prior to such damage or destruction; provided, however, that in no event shall the Association be responsible for restoring, repairing or replacing any improvements to a Unit made by an Owner, or the contents located in such Owner's Unit. All such restoration and repair work, whether done by the Association or an Owner, shall be effected in a manner so as to observe all vertical and horizontal Unit boundaries existing prior to such damage or destruction.

Section 7.3. Obsolescence of Common Elements. If the Owners holding not less than 67% of the allocated votes shall vote, at a meeting of the Association duly called for purposes of considering same, that the Common Elements, or any part thereof, including those Limited Common Elements consisting of Systems which serve only, or are a part of, individual Units, are obsolete, the Association shall promptly proceed with the necessary replacements and improvements thereto pursuant to a budget established for such purpose, and the cost thereof shall be and constitute a Special Assessment payable by all Owners within 30 days of the date notice of such Special Assessment is delivered to them by the Association.

Section 7.4. Obsolescence of the Property. If the Owners holding not less than 80% of the allocated votes shall determine, at a meeting of the Association duly called for purposes of considering same, that the Property is obsolete, the Association, after first obtaining the written consent of the First Mortgagees holding liens on Units whose Owners hold not less than 80% of the allocated votes, shall promptly proceed with the sale thereof in its entirety. Any proceeds from such sale shall be received, held and applied for and on account of the Owners as provided in Section 7.1(d).

Section 7.5. Association as Attorney-in-Fact. Each Owner, by acceptance or possession of title to a Unit, hereby irrevocably makes, constitutes and appoints the Association, and each and every of its successors in interest hereunder, as Owner's true and lawful attorney-in-fact, for and in Owner's name, place and stead, upon the damage or destruction of the Property, or any part thereof, or upon any determination by the Owners made pursuant to this Article, to take any and all actions, and to execute and deliver any and all instruments, as the Board of Directors may, in its sole and absolute discretion, deem necessary or advisable to effect the intents and purposes of this Article VII, hereby giving and granting unto the Association full power and authority to do and perform all and every act whatsoever requisite or necessary to be done in and about the premises as fully, to all intents and purposes, as an Owner might or could do, hereby ratifying and confirming whatsoever the Association may do by virtue hereof. The Association is hereby authorized, in the name and on behalf of all Owners, to do and perform all actions necessary or appropriate to effect the intent and purposes of this Article as aforesaid, including, without limitation, the power and authority to make and settle claims under any insurance policies maintained by the Association, contract for and with respect to restoration and repair work, contract for and with respect to replacements and improvements to the Common Elements (to the extent authorized as contemplated by Section 7.3), to contract for and with respect to a sale of the Property (to the extent contemplated by Section 7.4), and to execute and deliver all instruments necessary or incidental to any such actions.

3694 146689686 2

ARTICLE VIII

Condemnation

Section 8.1. General Provisions. If all or any part of the Property is taken or threatened to be taken by eminent domain or by action in the nature of eminent domain (whether permanent or temporary) the Board of Directors and each Owner shall be entitled to participate in proceedings incident thereto at their respective expense. The Board of Directors shall give such notice as it receives of the existence of such proceeding to all Owners and to all First Lien Mortgagees which have requested such notice. The expense of participation in such proceedings by the Board of Directors shall be a Common Expense. The Board of Directors is specifically authorized to obtain and pay for such assistance from attorneys, appraisers, architects, engineers, expert witnesses and other persons as the Board of Directors in its discretion deems necessary or advisable to aid or advise it in matters relating to such proceedings. All damages or awards for any such taking shall be deposited with the Board of Directors, acting as trustee, and such damages or awards shall be applied or paid as hereinafter provided. Any restoration or repair of the Property following a partial condemnation shall be performed in accordance with the provisions of this Declaration and shall follow, as nearly as possible, the original plans and specifications for the Property, unless otherwise approved by all First Mortgagees.

Section 8.2. Taking of One Unit. In the event of any taking of an Owner's Unit or a part thereof by eminent domain or sale or other transfer in lieu thereof if an Owner shall vacate and abandon an Owner's Unit by virtue of such taking, the Owner and any First Mortgagee of such Owner shall be entitled to the award for such taking, including the award for the value of such Owner's interest in the Common Elements, whether or not such Common Element interest is acquired, and, after payment thereof, such Owner and Owner's First Mortgagee shall be divested of all interest in the Property. If any repair or rebuilding of the remaining portions of the Property is required as a result of such taking, the remaining Owners shall determine by the affirmative vote or written consent of the remaining Owners owning a majority of interests in the Common Elements either to rebuild or repair the Property or to take such other action as such remaining Owners may deem appropriate. If no repair or rebuilding shall be required, or if none be undertaken, the remaining portion of the Property shall be resurveyed, if necessary, and the Declaration shall be amended to reflect such taking and to proportionately readjust the percentages of ownership of the remaining Owners based upon a continuing total ownership of the Property of 100% and such amendment shall be duly recorded.

Section 8.3. Taking of Common Elements. If an action in eminent domain is brought to condemn a portion of the Common Elements together with or apart from any Unit, the Board of Directors, in addition to the general powers set out herein, shall have the sole authority to determine whether to defend or resist any such proceeding, to make any settlement with respect thereto, or to convey such property to the condemning authority in lieu of such condemnation proceeding. With respect to any such taking of Common Elements only, all damages and awards shall be determined for such taking as a whole and not for any Owner's interest therein. After the damages or awards for such taking are determined, such damages or awards shall be held by the Board of Directors, acting as trustee for each Owner, or Owner's mortgagee or Mortgagees, as their interests shall appear, in proportion to such Owner's percentage interest in the Common

3694 146489686 2

Elements, except that the portion of any such award attributable to the condemnation of a Limited Common Element shall be allocated among the Owners of the Condominium Units served by such Limited Common Elements, as such Owner's interests existed in the Limited Common Elements condemned. The Board of Directors may, if it deems advisable, call a meeting of the Owners, at which meeting the Owners, by a majority vote, shall decide whether to replace or restore as far as possible the Common Elements taken or damaged. In the event it is determined that such Common Elements should be replaced or restored by obtaining other land or building additional structures, this Declaration and the Map attached hereto shall be duly amended by instrument executed by the Board of Directors on behalf of the Owners and duly recorded

Section 8.4. Taking of Several Units. In the event that an eminent domain proceeding results in the taking of all or part of those Units comprising less than 2/3rds of the total number of Units in the Condominium, then the damage and awards for such taking shall be determined for each Unit and the following shall apply:

(a) The Board of Directors shall determine which of the Units damaged by such taking may be habitable for the purposes set forth in the Declaration, taking into account the nature of the Property and the reduced size of each Unit so damaged.

(b) The Board of Directors shall determine whether it is reasonably practicable to operate the remaining Units of the Property, including those damaged Units which may be habitable, as a condominium project in the manner provided in this Declaration.

(c) If the Board of Directors determines, with the consent of 51% of the First Mortgagees, that it is not reasonably practicable to operate the undamaged Units and the damaged Units which can be made habitable as a condominium project, then the Property shall be deemed to be regrouped and merged into a single estate owned jointly in the undivided interest by all Owners, as tenants-in-common, in the percentage interests previously owned by each Owner in the Common Elements

(d) If the Board of Directors determines that it will be reasonably practicable to operate the undamaged Units and the damaged Units which can be made habitable as a condominium project, then the damages and awards made with respect to each Unit which has been determined to be capable of being made habitable shall be applied to repair and reconstruct such Unit so that it is made habitable. If the cost of such work exceeds the amount of the award, the additional funds required shall be assessed pro rata against the Owners of those Units which are being repaired or reconstructed so as to be made habitable. With respect to those Units which may not be made habitable, the award made with respect to each such Unit shall be paid to the Owner of such Unit or Owner's mortgagee or mortgagees, as their interests may appear, and the remaining portion of such Units, if any, shall become a part of the Common Elements and repair and use of such Units shall be determined by the Board of Directors. Upon the payment of such award for the account of such Owner as provided herein, such Unit shall no longer be a part of the Property, and the percentage interest in the Common Elements appurtenant to each remaining Unit which shall continue as part of the Property shall be equitably

3694 146689686 2

adjusted to distribute the ownership of the undivided interests in the Common Elements among the reduced number of Owners.

(e) If the entire Property is taken, or 2/3rds or more of the Units are taken or damaged by such taking, all damages and awards shall be held for the accounts of all Owners, and their mortgagee or mortgagees, as their interests shall appear, as provided herein, in proportion to their percentage interests in the Common Elements and this Condominium shall terminate upon such payment. Upon such termination, the Units and Common Elements shall be deemed to be regrouped and merged into a single estate owned in undivided interest by all Owners as tenants-in-common in the percentage interest previously owned by each Owner in the Common Elements

Section 8.5. Payment of Awards and Damages. Any damages or awards provided in this Article to be paid to or for the account of any Owner by the Board of Directors, acting as trustee, shall be applied first to the payment of any taxes or assessments by governmental authorities past due and unpaid with respect to that Unit, secondly, to amounts due under any mortgage instruments duly perfected, thirdly, to the payment of any Assessments charged to or made against the Unit and unpaid; and finally to the Owner

ARTICLE IX

Development Period

Section 9.1. Initial Directors. The Board of Directors shall be initially established by Declarant as set forth in the Bylaws.

Section 9.2. Period of Declarant Control.

(a) Except as is provided in Sections 9 2(b) and 9 2(c) hereinbelow, Declarant shall have the right to appoint and remove members of the Board of Directors during the period of Declarant Control. If Declarant voluntarily surrenders control prior to the termination of the period of Declarant Control, Declarant may require that specified actions of the Board of Directors be subject to Declarant approval until the expiration of the period of Declarant Control.

(b) Not later than one hundred and twenty (120) days after Declarant has conveyed to Owners other than Declarant title to 50% of the Units in the Property which may be created by this Declaration, an election shall be held by the Association, pursuant to the Bylaws, for the election of not less than 1/3rd of the members of the Board of Directors.

(c) Not later than the termination of the period of Declarant Control, the Association shall elect all members of the Board of Directors

Section 9.3. Working Capital Contributions.

3694 146689686 2

Such amount shall be a contribution of working capital to the Association and shall not be considered as an advance payment of the Monthly Assessments.

(b) Notwithstanding the foregoing, Declarant shall, not later than the termination of the period of Declarant Control, make the Working Capital Contribution on behalf of each Condominium Unit which is then still owned by Declarant.

(c) Anyone who purchases a Condominium Unit from Declarant after Declarant has made the Working Capital Contribution with respect to such Condominium Unit, shall at the time of such purchase, in lieu of the obligation set forth in subparagraph (a) hereof, reimburse Declarant for the Working Capital Contribution which Declarant made on behalf of such Condominium Unit.

(d) Any purchaser of a Condominium Unit from an Owner other than Declarant shall contribute an amount to the Association equal to two (2) months of Common Expenses of the Working Capital Contribution at the time of purchase. Such amount shall be a contribution of working capital to the Association and shall not be considered as an advance payment of Monthly Assessments.

ARTICLE X

Miscellaneous

Section 10.1. Revocation or Termination of Declaration. This Declaration may be revoked or the Condominium established hereby may be terminated, but only by an instrument in writing, duly approved, executed and acknowledged by those Owners holding not less than 80% of the votes allocated by this Declaration and First Mortgagees holding liens on Units whose Owners hold not less than 80% of the votes allocated by this Declaration. Any such instrument of revocation or termination shall be duly filed of record in the County. If the Property is to be sold upon termination, the agreement effecting such termination shall also set forth the terms of such sale and comply with the provisions of Section 82.068(c) of the Act

Section 10.2. Amendment to Declaration. This Declaration may be amended at a meeting of the Owners at which the amendment is approved by those Owners holding not less than 67% of the allocated votes. Such amendment shall be evidenced by a written instrument executed and acknowledged by an officer of the Association on behalf of the consenting Owners and filed of record in the County. Any such amendment so effected shall be binding upon all of the Owners, provided however that except as permitted or required by the Act, (i) no such amendment shall cause the alteration or destruction of a Unit or of a Limited Common Element unless such amendment has been consented to by the Owner and the First Mortgagee of the Unit which is to be altered or destroyed or by the Owner and First Mortgagee of a Unit to which the Limited Common Element that is to be altered or destroyed is appurtenant, (ii) create or increase Special Declarant Rights, (iii) increase the number of Units, (iv) change the boundaries of a Unit (except as permitted by Section 2.7 of this Declaration), (v) alter or destroy a Unit or Limited

3694 146689686 2

Common Element (except as permitted by Section 2.7 of this Declaration) or (vi) change the use restrictions on a Unit unless such amendment has been consented to by 100% of the votes of the Association. Notwithstanding the foregoing, no such amendment shall become effective unless approved by Declarant if Declarant still owns one or more Units and the amendment would, in Declarant's reasonable determination, (A) increase or otherwise modify Declarant's obligations, (B) reduce or modify any Special Declarant Rights; or (C) materially inhibit or delay Declarant's ability to complete the Improvements or to convey any portion of the Property owned by Declarant. Notwithstanding the foregoing, Declarant, if Declarant owns a Condominium Unit which has never been occupied, or the Board of Directors, may, without a vote of the Owners, amend the Declaration or the Bylaws in any manner necessary to meet the requirements of the Federal National Mortgage Association, the Federal National Home Loan Mortgage Corporation, the Federal Housing Administration or the Veterans Administration.

Section 10.3. Partial Invalidity. In the event any provision of this Declaration, the Bylaws or the Regulations shall be determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall in no way impair or affect the validity or enforceability of the remainder of such instruments

Section 10.4. Conflicts. In the event any of the provisions of this Declaration, the Bylaws or the Regulations shall be in conflict with the provisions of the Act or the Texas Non-Profit Corporation Act or the Texas Business Corporation Act, the provisions of such statutes shall control. In the event that a conflict exists between the provisions of this Declaration and the Bylaws, the provisions of this Declaration shall control.

Section 10.5. Captions and Exhibits. Captions used in the various articles and sections of this Declaration are for convenience only, and they are not intended to modify or affect the meaning of any of the substantive provisions hereof. All exhibits are incorporated in and made a part of this Declaration.

Section 10.6. Usury. It is expressly stipulated that the terms of this Declaration and the Bylaws shall at all times comply with the usury laws of the State of Texas. If such laws are ever revised, repealed, or judicially interpreted so as to render usurious any amount called for hereunder or under the Bylaws or contracted for, charged or received in connection with any amounts due hereunder or under the Bylaws, or if the Association's exercise of any provisions hereof or of the Bylaws results in any party having paid any interest in excess of that permitted by applicable law, then it is the Association's and/or Declarant's express intent that all excess amounts theretofore collected by the Association be credited on the principal balance of any indebtedness (or, if the indebtedness has been paid in full, refunded to the payor), and the provisions of this Declaration and the Bylaws immediately be deemed reformed and the amounts thereafter collected be reduced, without the necessity of execution of any new document, so as to comply with then applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder.

Section 10.7. Use of Number and Gender. Whenever used herein, and unless the context shall otherwise provide, the singular number shall include the plural, the plural number shall include the singular, and the use of any gender shall include all genders

CONDOMINIUM DECLARATION - Page 26

Section 10.8. Governing Law; Submission to Jurisdiction. This Declaration is executed and delivered as an incident to a conveyance of a Condominium Unit to an Owner negotiated and consummated in Galveston County, Texas, and shall be governed by and construed in accordance with the laws of the State of Texas. Owner, for itself and its successors and assigns, hereby irrevocably (i) submits to the nonexclusive jurisdiction of the state and federal courts in Texas, (ii) waives, to the fullest extent permitted by law, any objection that it may now or in the future have to the laying of venue of any litigation arising out of or in connection with this Declaration or any Condominium Document brought in the District Court of Galveston County, Texas, or in the United States District Court for the Southern District of Texas, Houston Division, (iii) waives any objection it may now or hereafter have as to the venue of any such action or proceeding brought in such court or that such court is an inconvenient forum, and (iv) agrees that any legal proceeding against any party arising out of or in connection with the Property may be brought in one of the foregoing courts. Owner hereby agrees that service of process upon Owner may be made by certified or registered mail, return receipt requested, at its address specified herein. Nothing herein shall affect the right of Declarant to serve process in any other manner permitted by law or shall limit the right of Declarant to bring any action or proceeding against Owner or with respect to any of Owner's property in courts in other jurisdictions. The scope of each of the foregoing waivers is intended to be all encompassing of any and all disputes that may be filed in any court and that relate to the subject matter of this transaction, including, without limitation, contract claims, tort claims, breach of duty claims, and all other common law and statutory claims. Owner acknowledges that these waivers are a material inducement to Declarant's agreement to enter into the agreements and obligations evidenced by the Condominium Documents, that Declarant has already relied on these waivers and will continue to rely on each of these waivers in related future dealings. The waivers in this Section 10.8 are irrevocable, meaning that they may not be modified either orally or in writing, and these waivers apply to any future renewals, extensions, amendments, modifications, or replacements in respect of any and all of the applicable Condominium Documents. In connection with any litigation, this Declaration may be filed as a written consent to a trial by the court.

Section 10.9. Notice To First Mortgagees. The Association shall give all First Mortgagees fifteen (15) days' written notice of any proposed action which requires the consent of a specified percentage of First Mortgagees pursuant to this Declaration.

Section 10.10. Surveillance. The Declarant and/or Association may install an alarm and surveillance system, including monitoring equipment, that monitors certain Common Elements as determined by the Declarant and/or Association in its sole discretion (the "Surveillance System") Each Owner hereby agrees that neither the Declarant nor the Association nor the Manager shall be responsible for, and hereby releases the Declarant, the Association and the Manager from, any and all liabilities, costs, expenses, injuries (including personal injuries), attacks, or accidents (collectively "Injuries") arising out of, connected to or any way related to the acts or omissions of the Association, **EVEN IF ALL OR ANY OF THE INJURIES ARISE OUT OF THE NEGLIGENCE (BUT NOT THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT) OF THE DECLARANT, ASSOCIATION, OR ITS MEMBERS, OR ANY OF THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, REPRESENTATIVES, OR CONTRACTORS.** The Surveillance

3694 146689686 2

System is not a guaranty or a representation of (i) the capabilities or reliability of such surveillance and alarm systems or (ii) the safety of the Owners or any other person or of any property. Without in any way limiting the foregoing, the Owners agree that neither the Declarant nor the Association shall be liable to the Owners for losses of or damage to property, or for injury or death to any person or persons, caused by (i) unauthorized entry onto any of the Units by any person other than the Owner, and whether or not such unauthorized entry occurs during normal business hours or otherwise or (ii) any guest or invitee of the owners of the other Units or any person entering upon the Units to conduct business (iii) fires or smoke, **EVEN IF THE DAMAGE OR INJURY ARISES OUT OF THE NEGLIGENCE (BUT NOT THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT) OF THE ASSOCIATION OR ANY OF ITS PARTNERS OR THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, REPRESENTATIVES, AGENTS OR CONTRACTORS.**

Section 10.11. Dispute Resolution.

(a) Consensus for Association Action

(1) Except as provided in this Section, the Association may not commence a legal proceeding without approval of Owners holding not less than 2/3rds of the allocated votes of the Association or not less than 3/4ths of the allocated votes of the Association if the legal proceeding is against the Declarant. This Section shall not apply, however, to (i) actions brought by the Association to enforce the Condominium Documents (including, without limitation, the foreclosure of liens); (ii) the imposition and collection of Assessments; (iii) proceedings involving challenges to ad valorem taxation, or (iv) counterclaims brought by the Association in proceedings instituted against it.

(2) Prior to the Association or any Owner commencing any proceeding to which Declarant is a party, including but not limited to an alleged defect of any Unit, Declarant shall have the right to be heard by the Owners, or the particular Owner, and to access, inspect, correct the condition of, or redesign any portion of any improvement as to which a defect is alleged or otherwise correct the alleged dispute

(b) Alternative Method for Resolving Disputes.

Declarant, its officers, directors, employees and agents; the Association, its officers, directors and committee members, all Persons subject to this Declaration, and any Person not otherwise subject to this Declaration who agrees to submit to this Section 10.11 (each such entity being referred to as a "Bound Party") agree to encourage the amicable resolution of disputes, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees to submit those claims, grievances or disputes described in Subsection (c) hereof (collectively, "Claims") to the procedures set forth in Subsection (d) hereof.

(c) Claims.

Unless specifically exempted below, all Claims between any of the Bound Parties regardless of how the same might have arisen or on what it might be based including, but

3694 146689686 2

not limited to Claims (a) arising out of or relating to the interpretation, application or enforcement of the Condominium Documents or the rights, obligations and duties of any Bound Party under the Condominium Documents, (b) relating to the design or construction of improvements, or (c) based upon any statements, representations, promises, warranties, or other communications made by or on behalf of any Bound Party, shall be subject to the provisions of Subsection (d) hereof.

Notwithstanding the above, unless all parties thereto otherwise agree, the following shall not be Claims and shall not be subject to the provisions of Subsection (d):

(a) any suit by the Association against any Bound Party to enforce the provisions of Article VI (Assessments);

(b) any suit by the Association or Declarant to obtain a temporary restraining order or injunction (or equivalent emergency equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to act under and enforce the provisions of Article III or Article V,

(c) any suit between or among Owners, which does not include Declarant or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Condominium Documents; and

(d) any suit in which any indispensable party is not a Bound Party.

With the consent of all parties thereto, any of the above may be submitted to the alternative dispute resolutions procedure set forth in Subsection (d).

(d) Mandatory Procedures

(1) Notice. Any Bound Party having a Claim ("Claimant") against any other Bound Party ("Respondent") (the Claimant and the Respondent being referred to herein individually, as a "Party", or, collectively, as the "Parties") shall notify each Respondent in writing (the "Notice"), stating plainly and concisely

(i) the nature of the Claim, including the Persons involved and Respondent's role in the Claim;

(ii) the legal basis of the Claim (i.e., the specific authority out of which the Claim arises);

(iii) the proposed remedy, and

(iv) the fact that Claimant will meet with Respondent to discuss in good faith ways to resolve the Claim.

(2) Negotiation and Mediation

(i) The Parties shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in negotiation.

(ii) If the Parties do not resolve the Claim within thirty (30) days after the date of the Notice (or within such other period as may be agreed upon the Parties) ("Termination of Negotiations"), Claimant shall have thirty (30) days to submit the Claim to mediation under the auspices of the American Arbitration Association ("AAA") in accordance with the AAA's Commercial or Construction Industry Mediation Rules, as appropriate.

(iii) If Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to any Person other than the Claimant.

(iv) Any settlement of the Claim through mediation shall be documented in writing by the mediator and signed by the Parties. If the Parties do not settle the Claim within thirty (30) days after submission of the matter to the mediation, or within such other time as determined by the mediator or agreed to by the Parties, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth that the Parties are at an impasse and the date that mediation was terminated.

Each Party shall bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all charges rendered by the mediator; provided, however, if the Declarant is the Respondent, the Claimant shall bear all costs of the mediation other than the Declarant's legal fees. If the Parties agree to a resolution of any Claim through negotiation or mediation in accordance with Subsection(d) and any Party thereafter fails to abide by the terms of such agreement, then any other Party may file suit or initiate arbitration proceedings to enforce such agreement without the need to again comply with the procedures set forth in Subsection(d). In such event, the Party taking action to enforce the agreement shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement, including without limitation, attorneys' fees and court costs.

(3) Binding Arbitration.

(i) Upon Termination of Mediation, Claimant shall thereafter be entitled to initiate final, binding arbitration of the Claim under the auspices of the AAA in accordance with the AAA's Commercial or Construction Industry

3694 146689686 2

Arbitration Rules, as appropriate. Such claims shall not be decided by or in a court of law. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Claim. If the claimed amount exceeds \$250,000, the dispute shall be heard and determined by three (3) arbitrators. Otherwise, unless mutually agreed to by the parties, there shall be one (1) arbitrator. Arbitrators shall have expertise in the area(s) of dispute, which may include legal expertise if legal issues are involved.

(ii) Each Party shall bear its own costs and expenses and an equal share of the arbitrator's and administrative fees of arbitration; provided, however, if Declarant is the Respondent, the Claimant shall bear all costs of the arbitration other than the Declarant's legal fees. Notwithstanding the foregoing, if a Party unsuccessfully contests the validity or scope of arbitration in a court of law, the non-contesting party shall be awarded reasonable attorney's fees and expenses incurred in defending such contest. All decisions respecting the arbitrability of any Claim shall be decided by the arbitrator(s).

(iii) The award of the arbitrator(s) shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both parties.

(e) Amendment of Section.

Without the express prior written consent of Declarant, this Article may not be amended for a period of twenty (20) years from the effective date of this Declaration.

IN WITNESS WHEREOF, Declarant has duly executed this Declaration on the day and year first above written.
